

**Water Hygiene Technician  
North Wales  
40 hours per week  
Permanent  
£33,286 per annum**

Here at ClwydAlyn, we are looking to recruit a Water Hygiene Technician to join the Compliance & Building Safety team around North Wales. We are looking for individuals who share our values of trust, hope and kindness to join us on our journey.

This post is on a permanent basis in North Wales.

- **Are you looking for an excellent work life balance?**
- **Would you like 25 days paid holiday (increasing to 30 days), with the opportunity to sell/purchase more annual leave?**
- **Receive up to 8% employer pension contributions.**
- **Join a Cycle to Work scheme.**
- **Receive eye care vouchers.**
- **Excellent enhanced maternity package and many other company benefits.**

**If so, we could be a great match....**

### **How we work**

Our people are key to our success. Our core objective is focused on tackling poverty across North Wales where we provide homes and services.

Everything we do is based on our values of **Trust, Kindness and Hope**. We are looking for someone that lives and breathes these values!

### **About Us**

ClwydAlyn Housing is a well-established, family friendly and respected provider of housing and related support services across North Wales, where people live life at the heart of everything we do. We are an agile working organisation and a member of the Working Families Group, truly living and breathing our values of trust, hope and kindness.

We are on an exciting journey which will see us implement a new business plan focused on tackling poverty and providing excellent quality care home services across North Wales.

### Who are we looking for?

- To Assist in the running of the Legionella work activities including Legionella risk assessments, water testing, sampling, flushing plus clean and disinfects.
- To inspect and test all the different properties within ClwydAlyn portfolio.
- Collaborate with maintenance management to schedule and write up all relevant documentation in relation to Legionella.
- To quality check work, paperwork and records to the standard required by HSG274 & HTM01.04.
- To be part of the on call rota

### Skills and Qualifications required for the role:

- City and Guilds (6129) Technical Certificates Level 2 Basic Plumbing Studies and Level 3 Plumbing Studies
- Domestic Gas Safe Qualifications.
- Ability to use diagnostic and test equipment.
- You will have the ability to use computerised Information Systems to provide statistical data
- You will have the ability to use Excel to manipulate data and produce reports for analysis
- Good communication skills and an appreciation of the importance of customer care.
- Follow on call rota.

**This role requires an Enhanced Disclosure & Barring Service (DBS) check which we pay for.**

**The closing date for applications is 27th September 2023. This date may change depending on number of applicants.**

**If you would like further information on the role, please call Leigh Hall on 07795256922.**

**To apply please send your expression of interest as to why you would like to apply, accompanied by your CV if possible, to [peopleteam@clwydalyn.co.uk](mailto:peopleteam@clwydalyn.co.uk).**

We are always striving to improve our recruitment practises and we may send you a follow up email asking for your feedback and opinion on your recruitment experience with us, if you would prefer not to be contacted, please highlight this during the application process.
